

# US 151 (Verona Road)

June 2004

## Construction begins July 12

### Overview

The US 151 (Verona Road) project will provide a safer, smoother roadway by repairing pavement joints and replacing severely cracked pavement. This project will also extend the life of the pavement in preparation for the future reconstruction of Verona Road.

The Wisconsin Department of Transportation is currently preparing a corridor study to evaluate the best way to provide access to local businesses and residences while providing additional capacity through the Verona Road and Beltline interchange. No improvements are anticipated before 2009.

### Lane restrictions

During construction, it will be necessary to close some lanes on US 151 to allow for joint repair. The following lane restrictions are possible:

#### Weekdays

- A minimum of two lanes will be open from 6 a.m. to 7 p.m.
- A minimum of one lane will be open from 7 p.m. to 6 a.m.

#### Weekends

- A minimum of two lanes will be open from 9 a.m. to 7 p.m.
- A minimum of one lane will be open from 7 p.m. to 9 a.m.

### Schedule:

July 12 to September 2, 2004

### Contact information:

WisDOT District 1  
2101 Wright Street  
Madison, WI 53704

Phone: (608)246-3800

Fax: (608)246-7996

TDD: (608)246-5385
